BNC Mobile Android App Enrollment

Install the BNC National Bank app from the Google Play Store and log in with your current Online Banking ID and PIN/Password. Here are some basic instructions to guide you through the process:

1. Open the **Google Play** Store app on your smartphone.
2. Search **Apps** for **BNC National Bank**. 
3. Select **Install**
4. Select to **Accept & download**
5. Select **Open**
6. Enter your current **Online Banking ID** and **PIN/Password**.
NOTE – ID and PIN/Password must be in an active status and not in a PIN expired or PIN reset/change status. You can only change your PIN/Password in your online banking.
7. At the **Self Enrollment** page, scroll down to the bottom of the agreement, select to **Agree** and select **Next**
8. At the **Receive Text Message Alerts** prompt, select **Yes** to receive transfer confirmations, etc via text. Texts are only sent when involving Online Banking activity.
9. Enter your complete **Mobile Phone Number**.
10. Select your **Wireless Provider** from the list provided. (Example: *Verizon or AT&T*).
11. Select **Enroll Now**
12. At the **You are now enrolled...** screen, you may select **My Accounts** to see your accounts and begin Mobile Banking! Congratulations!

REMINDER – This is a simplified version of Online Banking that will let you View Balances/Account Information, Transfer Funds, Pay Bills (initiating Bill Payments on existing Payees) and View Alerts. Not every Online Banking function available using your PC is available on your mobile device.
