Coulee Bank Announces Agreement to Acquire Loans and Deposits From BNC National Bank's Golden Valley Branch

- **BNC National Bank to close Golden Valley Branch**

December 30, 2020--Coulee Bank and BNCCORP, INC. (OTCQX Markets: BNCC) announced today that they have signed a definitive agreement for Coulee Bank to acquire certain loans and deposits of the Golden Valley, Minnesota, branch of BNC National Bank, a wholly owned subsidiary of BNCC. Coulee Bank will service the loans and deposits out of its existing St. Paul, Minnesota, office.

“Golden Valley offers a great opportunity to expand Coulee Bank’s customer base and to meet the evolving financial needs of our customers today and future customers of tomorrow. This will be Coulee Bank’s second banking acquisition in Minnesota and first since 2010 when it acquired \$54 million in assets and one banking location in Minnesota,” said Dirk R. Gasterland, Chief Executive Officer of Coulee Bank.

BNCC Chairman Michael Vekich said, “This transaction and the subsequent closure of our Golden Valley branch, will permit our talented and dedicated leadership group and employee base to concentrate on providing the best service, products and solutions to our customers and communities in our core geographic markets in North Dakota and Arizona. The deal is a result of the Board’s strategic planning process and focus on improved execution, business, and financial performance, advancing strategic priorities, and maintaining the organization’s safe and sound practices in a volatile economic environment while driving sustainable shareholder value.”

The transaction is expected to involve approximately \$16.5 million of deposits and \$17.2 million of loans based on BNCC’s September 30, 2020, balance sheet.

It is expected to be completed in the second quarter of 2021, subject to customary closing conditions, including regulatory approval. Terms of the definitive agreement were not disclosed.
